ADDITIONAL INFORMATION

LSW1001 - Several Liability Notice: The authorised insurers' obligations under contracts of insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. This means that if, there are three insurers, then each insurer is only responsible for the proportion of cover that it has agreed to provide under the Contract of insurance.
 Each insurer is therefore not responsible for any other insurer who, for any reason, does not satisfy all or part of its obligations.
